Makars prides itself in working with local artisan producers. Bon Accord drinks were founded in Arbroath in 1903, their iconic glass bottles were seen across Scotland for generations. Back after 15 years, their soft drinks are 100% naturally sweetened with honey, coconut nectar & fruit juices. The drinks are a really great alternative to alcoholic drinks that we have specifically paired with our dishes.

Refreshing, crisp & zesty & is best with our Chicken or Beef mains.

**Ginger Beer (275ml)** £3.00  
Rounded, aromatic & fruity & is excellent with our beef or sausages. Again it is great with all our braised meats giving a long warm flavour.

**Cream Soda (275ml)** £3.00  
Creamy & dreamy, old fashioned & full bodied it's back! This blast from the past was a staple for Scottish children for decades! Great with any of our sausages & particularly good with our smoked sausage.

**Pink Grapefruit Soda (275ml)** £3.00  
It's bitter, it's tart, it's sweet, what's not to like? This drier, balanced soda has a pleasantly bitter finish that makes it the perfect addition to a cocktail. We also like that it's not super sweet so goes great with lunchtime dishes.

The Wolfpack Brewery was started by two Springbok International rugby players, Al Hargreaves & Chris Wyles in 2014. From a disused garage in West Lothian they have created the home of the Wolfpack beer range. Their story is one of blood, sweat and beer. Being part of a team was everything as professional rugby players, so it made sense to make beers that would bring people together. At Makars we love these inspiring local artisan suppliers who share our values and delighted to be part of the Wolfpack..

Established in 1719, Belhaven Brewery is the oldest working brewery in Scotland. Situated in Dunbar, the brewery nestles amongst the rolling barley fields of East Lothian, just 20 miles from our first Makars site in Edinburgh. Belhaven produce the Nation's No. 1 Ale (Belhaven Best) and No. 1 Stout (Belhaven Black), alongside award winning range of craft beers and ales, all made using our fresh water source, local barley and unique Belhaven yeast.

Stewart Brewing is a local artisan success story! Founded in 2004 by my good friends Steve and Jo Stewart, it is Edinburgh's local, independent brewery. Stewart's have established themselves as one of Scotland's most successful and reputable breweries. They have won countless awards for their innovate products, whilst still upholding the traditional ethos of Edinburgh's rich brewing history.
